

Consumer Accounts / Servicing

When you, as a consumer, purchase the product/service and agree to a loan, the professional that you work with may use Equity Sales Finance, Inc. (ESF) for financing.

ESF will set up online statements, collect payments, and offer an onsite portal for you to responsibly manage your account. Once your account is set up, you may pay your bill 24/7 online. If you are having any short-term difficulty with your payments, call and speak with one of our top-notch Customer Service Representatives at 866-646-8661 during regular business hours which can be found on the [Customer Services](#) page.
